Tioga is one of our foundation females that was purchased as part of the group to start our herd. We purchased her 2020 heifer at the same time and have been impressed by her progeny. Looking around the ranch you can always tell the members of her family with their big bodies and brown and white coloring. She breeds back quickly every year and her calves have shown outstanding horn growth!

**Total Horn:** 98.2500 on 10/27/2022  
**TTT:** 77.0000 on 10/27/2022
