Gracie comes from two very productive longhorn lines. Neither need an introduction, but I add a few high points. Rebel, sire of HR Rosette, sold for a public record of \$700K. He also produces very correct females. Her dam is out of a genetic line that is leading the industry in production, RC Pacific Mermaid. Gracie's dam is nearing the 100" tt. She has a beautiful paint job, and ready to grace new pastures.
