Gingersnap is one of our fantastic foundation females and the first cow we added to our herd when we began. We purchased her 2020 heifer at the same time she joined our herd and she has given us two more heifers and a bull in the three years she has been here. She gave birth to the first calf born at our ranch and breeds back fast every year. She has as classic a look as any Texas Longhorn could have with a tip to tip measurement over
